What's your wish this valentine's?

By EllieJ

THE book is told by 3 perspectives, Jennifer, Eden and Natalie. Three completely different girls with one thing in common: Eden gets dumped by her boyfriend, Natalie's boyfriend keeps ignoring her and Jennifer has no boyfriend.

Theres a contest going on in her school of who will get voted teh most romantic couple on valentine's day.

It's mainly about Jennifer (atleast it starts off with her)

She overhears the most popular girl in school (claudia) telling her friends that she is sure to win the contest. Jennifer already disliking her opens her mouth and lies (a bad habit she has when she is around Claudia)telling Claudia that she is going to have some competition in the contest only problem is she doesnt have a boyfriend.

With teh(meaning her). Help of her best friend Violet she finds a boyfriend, not much like find more like asks Will (known as the Heartbreaker in school)to pretend to be her boyfriend until Valentine's day is over. He agrees.

And the stories develop around Valentines day.

Be Mine is a very sweet book. I would recommend it to anyone who wants to fall in love.

Good, but not great

By Amaia

"Be Mine" by Sabrina James is the next installment of the school year at North Ridge High. Like "Secret Santa", there are quite a few characters. The story focuses mainly on Jennifer, but brings the other characters together more than Secret Santa. All Jennifer wants is a boyfriend, and maybe to show up the school's mean girl, Claudia. Jennifer's mouth gets her in a sticky situation when she tells Claudia that she and her boyfriend are going to compete against Claudia and her boyfriend for Most Romantic Couple at the Valentine's Day dance. The only problem is that Jennifer doesn't have a boyfriend, but she won't let that stop her. Along the way, Claudia's two best friends can't figure out why Claudia's being so mean to Jennifer and realize that Claudia really isn't the type of girl they want to be friends with.

Be Mine was a good book, but I thought some of the character transitions were unbelievable. I did like that the characters were tied together more than in Secret Santa, but I would suggest reading Secret Santa over Be Mine.

Jennifer has a bad habit of lying whenever Claudia's around. Not only has she made up a fake boyfriend, but she's agreed to bring him to Claudia's party on Saturday.

Now she has to find a boyfriend in a week and maybe compete for the school's most romantic couple.

She stumbles across the perfect boy: the heartbreaker. Revenge gets even sweeter when he's looking to settle a score with Claudia, as well.

Can the two of them pull off a plan to teach the Queen Bee a lesson on romance?

This sweet, enjoyable romantic tale equals a cross between Mean Girls and How to Lose a Guy in 10 Days.
