It's Toby Ackland's birthday party down near the surf club—and that should mean heaps of grog, drugs and good clean fun. But by the morning a young girl is dead—raped by three boys and bashed with a rock. Who is responsible? The boy? The girl? Or the whole town. True Life

By A Customer

Nick Enright is a brilliant playwright & his play, "Blackrock", is both captivating and well written. The most amazing aspect of this play, is that it is based on the truth!

The story of "Blackrock" recounts an actual event, which occurred in Australia to a young girl. Enright wrote the play (which was not originally called "Blackrock") to help the community deal with the girl's death. The Department of Education also used that original play as a Theatre in Education text which was studied throughout Australian High Schools.

The play's name was changed to "Blackrock", when the movie was made. The reasons being; so that the title would 'sell' to the public and so that anonymity was provided to the people & place where the real event took place.

Couldn't put it down!

By A Customer

This was an amazing screenplay! I am a fan of Heath Ledger the actor who plays Toby in Blackrock so that was my first reason for buying the book but I am glad I did! You should definitely get this! I could not put it down! It's got everything! Sex, drugs, friendship, betrayal, surfing, murders, suicide, rape, cops...! Very serious issues and a very awesome book!

Blackrock

By Miles Li

Blackrock was inspired by the rape and murder of 14-year old Leigh Leigh near Newcastle, Australia, back in 1989, and as such the play has always been controversial for many different reasons. The story centres upon Jared (Laurence Breuls), the 17-year old surfer who, during a beachside party, witnessed a rape (not Toby, played by the now famous Heath Ledger, who was the lead rapist) and did nothing about it. As the crime drew the suspicion of a nation, Jared was forced to choose between telling the truth and 'mateship' with the rapists and especially the killer, Ricko (Simon Lyndon).

The characters are well portrayed in the screenplay, and the movie itself is even more powerful and gripping. A warning: the movie has a rape scene which you will find very disturbing...
