COME, HOLY SPIRIT: SERMONS BY KARL BARTH PDF

Synopsis: "These sermons were prepared from 1920 to 1924. Professor Barth preached some of them while he was minister of the Reformed congregation in Safenwil, Canton Aargau, Switzerland; others in the Reformed Church in Goettingen while he was professor of theology in the University. Pastor Thurneysen at that time preached to the congregation in Bruggen, near St. Gall, Switzerland. The sermons were written not for special occasions but for the regular Sunday morning service, and were addressed to such men and women as one will find in any village or city church--to men and women in the struggle for life, waiting and seeking for God. "Pastor Thurneysen selected the sermons and arranged them according to a scheme that may be indicated by the words Promise, Christ, Christian Living." --from the Translator's Preface

Author Biography: Karl Barth (1886-1968) the Swiss Reformed professor and pastor, was once described by Pope Pius XII as the most important theologian since Thomas Aquinas. As principal author of The Barmen Declaration, he was the intellectual leader of the German Confessing Church--the Protestant group that resisted the Third Reich. Barth's teaching career spanned nearly ve decades. Removed from his post at Bonn by the Nazis in late 1934, Barth moved to Basel where he taught until 1962. Among Barth's many books, sermons, and essays are the Epistle to the Romans, Humanity of God, Evangelical Theology, and Church Dogmatics. Eduard Thurneysen (1888-1974) was a pastor in a Swiss town near where Barth was pastor, and they worked out dialectical theology together. He was later Professor of Theology at Zurich."

They cannot be easily comprehended, because they are so different in form ...

By David L. Carroll

The Translators' Preface states in part "These sermon's are not popular, clever, eloquent pulpit discourses such as the modern audience is accustomed to hear and to applaud. They probably would not receive large space in an American Monday morning newspaper. They cannot be easily comprehended, because they are so different in form and content from any sermons that have ever been published in this or any other age. They must be read and pondered, reread and pondered again, until the truth in them becomes spirit and life in

the reader."

I have found this to be my experience and it is one of my must treasured books.

By C Pierce

It serves a function within the whole, but does not deliver in KB's typical ability to teach and edify at once.

These thoughts just don't sparkle in the way Barth is won't to sparkle.
