Great for your cookbook collection

By Tishe V. Heller

I am a granddaughter of Edna! This cookbook is just a flavour of her book "The Art of Pennsylvania Dutch". Definitely a must have in your cookbook collection. My favorite recipe of her's is Chicken Corn Soup on pg. 8 (I believe!). I miss her cooking very much and as I grow older and learn to cook, I plan on making more of her recipes. Why don't you try some yourself?

Great stuff!

By A Customer

I have never made anything from Edna's books and have it turn out bad! I'm also a little biased though, I'm her cousin's granddaughter! My family loves the recipes I get from these books. I highly recommend them!

Edna Eby Heller Dutch Cookbook

By Peter Feger

This was a replacement for one that was given as a gift many years ago. I have regained an old friend again. All the recipes are spot on and the little stories that go with it give you a great sense of the whys it was done this way. I recommend this to any cook with some skills that want to try a little authentic old time cooking.
