# **FIGHT AUTISM AND WIN: BIOMEDICAL THERAPIES THAT ACTUALLY WORK! SECOND EDITION BY JAN MARTIN, TRESSIE TAYLOR PDF**

Fight Autism and Win: Biomedical Therapies That Actually Work! (second edition) is an updated parent guide to frequent low dose chelation and other natural therapies for autism or children on the spectrum. Its the one stop easy to follow guide to give you the tools you need to naturally treat things like candida, viruses, heavy metals. Learn about immune, dietary intervention and supplements. Everything you need to start your child on the road to health! And it isn't just for autism, these same therapies the author's used for their entire family. You'll be motivated by the parent reports of progress and the author's stories of their own journey with autism. Don't wait, start on that road now! Autism rates have now reached epidemic proportions. It is an alarming reality that only a small number of children with Autism Spectrum Disorder will grow up to live independently. This book is for parents who want their children to be healthy, independent adults. Fight Autism and Win is a basic but comprehensive parent guide to biomedical therapies that really do work! Finally! The book that gives you, the parent, the power to help your child get better!

Wonderful book with amazing info!!

By Mom of 3 littles

Excellent book!! We are following the ALA therapy right now... Just getting into it and this book has such amazing information for kids on the spectrum and for chelation and detoxifying your body from heavy metals! Highly highly recommend!!!!

6 of 6 people found the following review helpful.

Buy the second edition!

By Amazon Customer

Fantastic book written by fantastic people who genuinely care about helping us to recover our kids. Easy to read and easy to follow for step by step guidance on the Andrew Cutler Chelation protocol.
