About the Author

Dr. Beena Rani Goel is a renowned endodontist and a Reiki teacher. After three decades of dentistry and witnessing many cases of allergic reactions and side effects of allopathic medicines, she ventured into Reiki in search of a holistic healing method. After witnessing the total transformation of life with regular practice of Reiki, she wants to help others who want to follow the path. Ashwita Goel learned meditation as a child, and took to Reiki as a teen, easily integrating compassion and healing with her life. She realized her calling after a short stint as a software engineer and took up Reiki professionally in 2007. She uses Reiki and other forms of energy healing, along with hypnotherapy and past life therapy to help and heal people.

I highly recommend

By Anuradha Bajpai

This book has been my guide of practicing Reiki in last 6 years. This book addresses very basic questions of how to practice Reiki and dives you deep into how it can heal various emotions and health issues. I received this book from my Reiki Master Ashwita, 6 years back and since then this has been my guide for healing myself and people around me. There are many ways of following Reiki and I am not sure what is right and what is not but one thing I know with my personal experience is that methods written in this book WORKS and works so powerfully that I and people whom I heal can feel the energy. Hailing from India and living in the USA, I know there is something magical about India which attracts many spiritual seekers from around the world. But there are very very few real GURUs who can answer those queries and have the ability to really guide. I haven't got an opportunity to meet the author of this book but Ashwita, my Reiki master and who referred me this book is one of those very few shining stars in India who can really guide in the right path and has that holistic knowledge about spiritualism.

This book is a gem that will lead you to ...

By Yasmine

This book is a gem that will lead you to the spiritual treasure of Reiki. A practical guide that will help you connect mind, body, and spirit. A must read..!

One Star

By Phillip Marsh

Quit repeating the christianized version of Mikao Usui. He was Tendai Buddhist. That story has been proven false.
