The here and now book *Obedient Unto Death: A Panzer-Grenadier Of The Leibstandarte- SS Adolf Hitler Reports By Werner Kindler* we provide below is not type of normal book. You know, checking out now does not mean to take care of the published book *Obedient Unto Death: A Panzer-Grenadier Of The Leibstandarte- SS Adolf Hitler Reports By Werner Kindler* in your hand. You could obtain the soft file of *Obedient Unto Death: A Panzer-Grenadier Of The Leibstandarte- SS Adolf Hitler Reports By Werner Kindler* in your gizmo. Well, we mean that guide that we extend is the soft file of the book *Obedient Unto Death: A Panzer-Grenadier Of The Leibstandarte- SS Adolf Hitler Reports By Werner Kindler* The material and all things are same. The distinction is only the forms of the book *Obedient Unto Death: A Panzer-Grenadier Of The Leibstandarte- SS Adolf Hitler Reports By Werner Kindler*, whereas, this problem will precisely be profitable.

OBEDIENT UNTO DEATH: A PANZER-GRENADIER OF THE LEIBSTANDARTE- SS ADOLF HITLER REPORTS BY WERNER KINDLER PDF

Between 1941 and 1944 Waffen-SS Oberscharführer (Sergeant) Werner Kindler took part in 84 days of close combat, qualifying him for the Close Combat Clasp in Gold, the Third Reich's highest decoration for a frontline soldier. He was also awarded the German Cross in Gold, the Iron Cross First and Second Class and the Wound Badge in Gold.??Drafted into the SS-Totenkopf in 1939, he served with a motorised unit in Poland, and in May 1941 was selected for the Leibstandarte-SS Adolf Hitler, with which he fought in the invasion of the Soviet Union. His unit converted to a Panzer Grenadier formation in 1942, and Kindler went on to fight at Kharkov and Kursk on the Eastern Front, and later in Belgium and France in 1944. At the end of the war, he was the last man of the Leibstandarte-SS to surrender to the Americans. This is one of the most dramatic first-hand accounts to come out of the Second World War.

Very little first person recounting.

By William C. Mcdaniel

Close Combat Clasp in Gold and German Cross in Gold winner. Member of the LAH. A memoir.....well it goes downhill from there.Only about 15% percent of this book is on the authors experiences and much of it is only in noting for example " during the attack on X I was credited my 21st close combat day". A good portion of the book is devoted to his early battallion commander Piper and various platoon and company commanders. Would have loved to have had a first person memoir from this author. Alot of the book is more justly a battallion war diary extract. As this is such a famous unit alot of this info is available from numerous other sources. I would buy this book again, just with much less enthusiasm.

It does not tell us much of his personal experiences

By Quintin Trammell

This book is not about Werner Kindler's experiences. It more of a history of the operations of the Leibstandarte Adolf Hitler (LAH). It reports Division and Corp information Kindler could not have know at

the time. Half the book is reports from what other people saw and observed based on their own reports and memories. The other half is the unit history. In the fact that Kindler was there during this time it does give some small insight into what he must have observed. However, at best, it is simply his counted up days for the close combat clasp. For example, the text repeats over and over, "on this day we went here and did that and for this day I was awarded my Xth close combat day". Wow. If I had wanted an operational history of the LAH I would have bought a book to that effect. Guess I don't have to now since I have one. If that was why I had ordered the book, I would give it a 4 or 5. But it wasn't. If you are buying the book to learn of Kindler's experiences, don't because you won't. Now, having said all this, it wasn't a bad read and I did actually enjoy it.

Worthless

By George H. Williams

The book basically is a travel guide recounting the locations where the author served. There is very little about what the author experienced. I can think of nothing to recommend this book.
