- Whether drawn to ancient crypts in search of treasure, long-lost secrets, or the potential for fame, countless adventurers hope to someday join the illustrious Pathfinder Society, a loose organization of scholars, explorers, and thrill-seekers that spans the globe in search of wonders. This player-focused guide to the organization provides both neophyte Pathfinders and seasoned veterans with the tools of the trade — the wealth of knowledge of past Pathfinders and access to the mysteries safeguarded in the vaults of the Grand Lodge of Absalom. It includes new equipment to aid you in high adventure and exploration, including new wayfinders and ioun stones, and both magical and mundane volumes of the legendary Pathfinder Chronicles.

Great Society Quick Reference for Players and GMs Alike

By Noah C. Patterson

For a while I was in charge of running Pathfinder Society games at my local store. The Pathfinder Society Primer came in handy on multiple occasions. It specifically helped new players who had never played and wanted to get involved in events. I also often used the maps and the descriptions/bonuses from the lodges to add more flavor and depth to our Society Games.

While this isn't a complete overview of everything in Pathfinder Society it definitely acts as a quick reference guide to help out myself as the game master and the players. If you are a player looking to get involved this book is a great way to start learning. If you are a game master who is running society games then this is a great resource to help new players.

By striker

We don't play using this scenario, but I wanted to learn more about it. This was a great introduction. Our GM is borrowing it now to see if we want to incorporate this into our normal game setting.
