POWER FROM ON HIGH: GAINING SPIRITUAL STRENGTH BY C. MAX CALDWELL PDF

When the Lord's church was organized in this dispensation, the Savior . . . gave Joseph Smith power from on high that he might fulfill the Lord's purposes and accomplish His marvelous work. Just as Joseph Smith needed power from heavenly sources, so also are we dependent upon that same power in order to fulfill the Lord's expectations of us, be accepted of Him, and be welcomed back into His presence. In the pages of this inspiring text, Elder C. Max Caldwell, emeritus member of the First Quorum of the Seventy, explains that we don't have the power to personally overcome and transcend our mortal limitations. However, the redeeming power of the Savior not only saves us from permanent physical disabilities through the resurrection, but also repairs internal spiritual damages incurred when we fail to follow the narrow path leading home. Elder Caldwell then points us toward principles and practices that will connect us to the Lord's power plant?simple guidelines that will give us the power to overcome temptation and keep our lives focused on the Savior and the saving principles of His gospel. Filled with scriptural affirmations, powerful examples, meaningful quotes from General Authorities, and the author's tender and insightful personal experiences, this is truly a book to be savored, treasured, and referenced often.

A Must For Leaders

By B. McGregor

Very insightful for leaders who need to extend calls and must stress the power of fulfilling covenants. The call to serve is not just a 'would ja, could ja' thing, but it really is a test of commitment that has tangible blessings (although not always expected blessings).

This is a great book that helps people see that fulfilling covenants is a journey of faith that takes one into the unknown as they pick up along the way precious wisdom and abilities. Or, power from on high.
