Great entertaining and fun read!

By Amazon Customer

This is adult fiction. Prudes beware. However it is surprisingly well-written and the dialogue most entertaining. It's worth the price and the fun of reading. It was refreshing to find bits of irony in this novel and a plot with originality and imagination.

Is it hot in here!!!

By Austen Fan

I read all sorts of p&p variations chaste and risqué and this is definitely in the risqué category. If you enjoy these types of variations then this is well written and enjoyable, with Darcy at his dominant virile best!!!

Another risqué P&P variation

By Erika L Hoemke

~~~WARNING: This is NOT a canon P&P variation and if you're a JA purist don't read!!!~~~

That being said, I loved it!! I am not a prude and can enjoy the many intrigued that are to be had. Yes I love my canon-esque P&P stories, but even I need a break to relieve the tension!!

This story starts out with Elizabeth and the Gardiners touring Pemberley, with Elizabeth and Mr Darcy meeting in the gardens. It goes on to showing what would happen if Mr Darcy and Elizabeth allowed passion to slightly rule themselves when then bump into each other at a river on Darcy's land.

I would recommend this story to mature JAFFers only!!!!
