## Review

"This delightfully informative book is a Who's Who of spy vs. spy skullduggery in the world's most powerful city. Spy experts Robert Wallace and H. Keith Melton take us on a mesmerizing tour of traitors and tradecraft revealing the wheres and whys of Washington's second-oldest profession. It's a must read for both the curious and serious researchers. Bravo!" ? Pete Earley, New York Times Bestselling author of *Family of Spies: Inside the John Walker Spy Ring* and *Confessions of A Spy: The Real Story of Aldrich Ames*

"Wallace and Melton are expert chroniclers of the spy business. *Spy Sites of Washington, DC* is admirably detailed and thoroughly enjoyable. If you loved their book *Spycraft* on the intricate world of espionage tradecraft, you will find *Spy Sites* an essential guide to the intelligence landmarks of Washington." ? David E. Hoffman, author of *The Billion Dollar Spy: A True Story of Cold War Espionage and Betrayal*

"The authors' incredibly well researched "Spy Sites" explores every nook and cranny of the nation's capital where a vast number of American spies and their foreign collaborators lived, worked and secretly betrayed the country's secrets for over two centuries. This is not just a guidebook of those landmarks but a must-read, comprehensive history of espionage in America. Another tour de force by Wallace and Melton!" ? Mike Sulick

"Most Americans acknowledge that our nation's capital is ground zero in terms of spies per square inch. This new volume by Keith Melton and Bob Wallace puts flesh on those bones, combining museum-worthy stories and actual addresses of the most famous espionage cases in America. The resulting book is a delectable history that lives and breathes as the pages are turned. Espionage aficionados and urban explorers alike will be delighted with this experience." ? Antonio J. Mendez, Author of *ARGO*,

Washington, DC, stands at the epicenter of world espionage. Mapping this history from the halls of government to tranquil suburban neighborhoods reveals scores of dead drops, covert meeting places, and secret facilities ? a constellation of clandestine sites unknown to even the most avid history buffs. Until now.

Spy Sites of Washington, DC traces more than two centuries of secret history from the Mount Vernon study of spymaster George Washington to the Cleveland Park apartment of the "Queen of Cuba." In 220 main entries as well as listings for dozens more spy sites, intelligence historians Robert Wallace and H. Keith Melton weave incredible true stories of derring-do and double-crosses that put even the best spy fiction to shame. Maps and more than three hundred photos allow readers to follow in the winding footsteps of moles and sleuths, trace the covert operations that influenced wars hot and cold, and understand the tradecraft traitors and spies alike used in the do-or-die chess games that have changed the course of history.

Informing and entertaining, *Spy Sites of Washington, DC* is the comprehensive guidebook to the shadow history of our nation's capital.

A must have for anyone visiting Washington D.C. or interested in espionage!

By spyzep

First of all this book feels and looks great, I plan to carry it in my coat pocket on my next trip to D.C. I have been a fan of Wallace and Melton's other books - "Spy Sites of NYC", "Philadelphia", "Ultimate Spy", etc. - but this one may be the best yet....after all, Washington D.C. is our national's capital and it is loaded with foreign embassies full of foreign intelligence officers. This book covers the real world of espionage in DC from 1790 through to 2016. I love the easy to follow chronological flow of the book and it's logical layout full of lush photos, maps and even the rare (FBI captured, etc.) Soviet cipher pad and other intelligence tradecraft artifacts. Only the historian and owner of the 'world's largest collection of spy artifacts' and the former CIA OTS (Office of Technical Services) director could combine forces and deliver this book! The perfect weekend trip: this book and its 220 sites to visit plus a trip to the International Spy Museum! (James Bond would be jealous!). I can't wait for the "Spy Sites of Moscow"!

Smile! You're on SpyCam!

By Jacquelyn J. Caccia

This book presents a fascinating look at the spies and the sites they inhabited. There are a lot of pictures which is a wonderful addition to the text. It definitely would be a 'take along' on any trip to D.C. My only 'complaint' is the gray type used throughout. It makes reading a little difficult.

Great book, Surprisingly comprehensive guidebook

By susan g

Great book, Surprisingly comprehensive guidebook, with items ranging from George Washington to Anwar al-Awlaki. Whether you're a long-time resident of the Washington area or a tourist interested in the area's espionage history, you'll appreciate this easy to use volume full of insider insights.
