Two legendary figures meet for the first time in this spectacular adventure, as an alien race called the Scrubb demand that Earth's greatest champion battle their world's own greatest fighter. Both Superman and Muhammad Ali step forward -- and to determine who is truly Earth's greatest fighter, Superman temporarily loses his powers and faces Ali in the ring. Ultimately, the duo must work together to defeat the Scrubb, with Ali taking on their champion while Superman battles their space-armada. This facsimile edition hardcover reprints this hard to find title at its original trim size of approximately 10 inches wide by 13.25 inches high.

Good story, poor production quality

By Jesse

DC put out two versions of this hardcover collection, but despite the larger size with the Facsimile Edition, I have to recommend the Deluxe Edition instead. The construction of this book is pretty shoddy. Within a few days of opening the shrink wrap the book had started to warp and bend. Eventually both covers formed a concave shape and the pages turned wavy. I only read the book once, and apparently being exposed to the air was enough to finish the job. I've had some similar problems with DC's standard-size hardcovers, but nothing as bad as this.

The story itself is a lot of fun in a campy, Silver Age way. I'm not huge on the new colors. Certain panels have a very eerie, digitized look to them. But it's definitely a story worth reading regardless of your fondness for the original comic. Just not in this particular format.

Amazing Adventure

By The Modren Man

For the technical people: The paper is glossy and the binding is sewn. The art has been recolored, but the work is excellent and makes the line art look amazing.
