"INSPIRATION" FOR MORMON MISSIONARIES AND LATTER-DAY SAINTS IN GENERAL

By Steven H Propp

(Note: Amazon has erroneously linked two different books---The Missionary's Little Book of Teaching Tools and The Missionary's Little Book of Inspirational Stories---to each other, so I'm including both reviews together.)

TEACHING TOOLS book:

The Foreword to this 2001 book says, "This book contains many great teaching aids, ideas, and object lessons that are passed down from missionary to missionary... This little book is a compilation of these creative ideas. In this book you will find object lessons for the principles in your discussions, ideas for teaching other gospel subjects, and large-group activities. This 'must for missionaries' book will give you added insights that will make your teaching clear and reinforce important principles."

The book is divided into the following sections: "The Plan of Our Heavenly Father"; "The Gospel of Jesus Christ"; "The Restoration"; and "Living a Christlike Life."

INSPIRATIONAL STORIES book:

This 2000 book (edited by R. Dale Jeffrey) is filled with stories and quotations, primarily intended for Mormon missionaries, but also of interest to other Latter-Day Saints, as well as other persons who like such "inspirational" material.

The book is divided into the following sections: "Attitude"; "Faith" "Goals and Habits"; "Hard Work"; "Leadership"; "Love and Service"; "Missionary Work"; "Obedience"; "Our Savior Jesus Christ"; "Overcoming Obstacles"; and "Prayer."

Awesome!

By Amazon Customer

Ok this little book is great whether you are a missionary or just for family home evenings... It gives several great object lessons for all the major principles of the LDS religion. I've seen one of them in action while helping out the missionaries serving in my area. It was great to be able to see the light bulb moment for the investigator as he participated in the lesson. I am certainly a visual and hands on learner, so definitely taking this with me on my mission.
