Yes, this is a pirate, adventure, romance book. It's pretty good!

I don't know what about Howard Pyle's writing appeals to me. Maybe it's the impressive grammar, the stunningly correct use of language he uses to paint a picture that jumps into my conscience and becomes a grand movie in my mind. Or the twists and turns, the unpredictability of the tale, the endlessly wicked rogues, the palpable atmosphere...who knows? I just enjoy his stories very much, and in fact I sometimes read them more than once! This is most rare for me, because there is so much to read, and so little time...

Anyway, this one is a keeper.

The story is memorable, unfolds with much drama and many thrills...just read it.
