Very peaceful

By Sona Sadselia

Loved reading this book. It gives insight to a different type of lifestyle and age of this world's history that most people do not think about. I recommend it to anyone because this biography is not based on religion, but rather upliftment of the human race through spirituality. There are a lot of things to learn as well as just

open your eyes to different world that others live in.

No.. wprds

By NACHIKET

This is our luck that we can understand DADAJI with this book, Perhaps there is no need to explain DADAJI'S work in book as it is in front of all world. DIDIJI is also doing same what DADA did.
